

# Bucket Collection Volunteer

## About the charity

Breast Cancer Care & Breast Cancer Now have recently united to create one charity for everyone affected by breast cancer. Our aim is that by 2050, everyone who develops breast cancer will live and be supported to live well.

This October, we would love to recruit some fantastic volunteers to help us raise awareness and vital funds for the charity. Can you help?

## The Role

We're looking for friendly and enthusiastic individuals to attend a bucket collection. Tasks will include carrying a collection bucket, handing out awareness leaflets and representing the charity

You will be given a bucket and tabard on arrival as well as a short health and safety induction. There will be a member of the charity on site with you during the collection. We will reimburse you for any travel expenses.
